WHEREAS, the American Rescue Plan Act “ARPA,” which was signed into law on March 11, 2021, provides fiscal relief funds to state and local governments and other program areas aimed at mitigating the continuing effects of the pandemic; and

WHEREAS, ARPA is intended to provide support to local governments in responding to the impact of COVID-19 and in their efforts to contain COVID-19 out of their communities, residents, and businesses; and

WHEREAS, the ARPA provides grant funds permitting cities the option to provide Premium Pay for eligible employees in order to provide additional support to those who have and will bear the greatest health risks because of their service in critical infrastructure sectors; and

WHEREAS, the United States Department of Treasury (hereinafter Treasury), has issued guidance and an Interim Final Rule (hereinafter IFR) regarding the use of ARPA funds; and

WHEREAS, the IFR provides that eligible workers are those “who have been and continue to be relied on to maintain continuity of operations of essential critical infrastructure sectors, including those who are critical to protecting the health and wellbeing of their communities;” and

WHEREAS, Treasury recognized essential critical infrastructure sectors as “healthcare, public health and safety, childcare, education, sanitation, transportation, food production and services” and also permits each city’s chief executive to add additional sectors to the list if they are “deemed critical to protect the health and well-being of its residents;” and

WHEREAS, essential work involves regular in-person interactions or regular physical handling of items that were also handled by others; however, it does not include telework from a household; and
