Item (1) on the agenda was a discussion concerning the financial status of the city's general fund and whether a bonus could be paid to employees at this time. Mrs. Meads provided a current cash flow summary and short-term revenue and expenditure forecast through the end of June. She explained her concerns that the city's obligation to pay expenses on the airport terminal construction project will affect cash flow, as will the payroll dates in July and August. She said the two general fund CDs would be sufficient to cover one payroll. She did not recommend paying a bonus at this time. The Council discussed this situation as well as other infrastructure needs.

Mayor Morris reported that the K-Life building had not been completely vacated, although the lease had lapsed 5-31-12. He had spoken with K-Life board member Brad White about removing the remaining property. He said it would likely cost up to \$100,000 to restore the building to useable condition, if not more. The Council asked the Mayor to determine (1) whether asbestos is present and, if so, (2) the cost of containment; and (3) the cost to destroy the building.

Mayor Morris also reported on correspondence with the Federal Aviation Administration concerning the status of mineral leases on airport property; the Arkansas Municipal League meeting in Hot Springs June 20-22; the prospective meeting of the Arkansas Highway & Transportation Department with public officials at 2PM Tuesday, June 26, at the Central Fire Station's training room; the prospective meeting of the Arkansas Highway & Transportation Department for public comments from 4-7PM Thursday, June 28. He said the City would receive a refund of \$3,500 from Smart 9-1-1.

The Mayor recognized State Representative Mark Biviano, who presented \$5,000.00 in GIF funds to Fire Chief Bill Baldrige for the purpose of acquiring smoke detectors and carbon monoxide detectors and placing them in citizens' homes.

The Mayor announced that groundbreaking for the airport terminal building will be held Thursday, June 28, at 11:30 AM, with lunch thereafter provided by First Security Bank.

A motion was made and seconded to adjourn.
